Winemaker/Owner Mark Aubert, literally, has roots in California's North Coast...he was born in St. Helena. A true "career" winemaker, Mark has been in the wine industry for decades. Kongsgaard

John Kongsgaard is one of the true iconic figures in wine today. He not only makes some of the most profound wine but his contributions to music world and to the arts makes him a Renaissance Man. It would be difficult to find someone to have more of a wine crush on.

Marcassin Vineyard

Helen Turley's personal production philosophy shapes her winemaking process to be focused on quality and excellence always calling for, "great vineyards, meticulously farmed, limited yield, long hang time, and natural yeast." The 20-acre estate vineyard on the Sonoma Coast produces only 100 barrels annually. None of the wines interact with fining, filtering, or cold stabilization and are routinely aged for five years before they're released. This is among California's most highly acclaimed, intimidatingly rare treasure.

J. Rochioli Vineyards & Winery

With three generations of dedication to the land, Rochioli Vineyards and Winery has earned the reputation as one of Sonoma County's finest. This family legacy began in 1938, when Joe Rochioli Sr. purchased land he had long farmed. He had the foresight to know that the soil of the Russian River Valley would one day produce some of the world's greatest wines. His son Joe Jr. embraced this vision and today crafts renowned, terroir-driven wines built on a foundation of superb fruit.

Williams-Selyem Winery

Williams Selyem Winery began as a simple dream of two friends, Ed Selyem and Burt Williams, who pursued weekend winemaking as a hobby in 1979 in a garage in Forestville, California, and made their first commercial vintage in 1981. In less than two decades, Burt and Ed created a cult-status winery of international acclaim. Together they set a new standard for Pinot Noir winemaking in the United States, aligning Sonoma County's Russian River Valley in the firmament of the best winegrowing regions of the world. Today John and Kathe Dyson, who purchased the winery from Burt and Ed in 1998, carry on the passion for Pinot Noir winemaking without compromise. As for the wines... they just keep getting better and better.

Winery & Winemaker Crushes

Leonetti Cellar

A winery with incredible prestige in Washington, Leonetti Cellar was founded in 1977 as Walla Walla's first winery. Leonetti's legacy traces back to the Leonetti Farm, first established in 1906 – which became the site where owner Randy Figgins would come to plant his first commercial vineyard in 1974. Leonetti has received international acclaim for their wines since that time, as they have cemented their place as one of the top wineries in Washington State. Superstar winemaker, Chris Figgins, son of Randy Figgins, has been making these impressive wines since 2001. The wines have proven to clearly demonstrate remarkable aging potential, evolving gracefully for decades

Domaine Comte George de Vogüé

Certainly the greatest estate in Chambolle-Musigny if not in greater Burgundy, de Vogüé for 20 generations has been steward of the village's top terroirs. The estate owns some 80 percent of grand cru Le Musigny, and a significant portion of grand cru Bonnes-Mares. Its premier cru Chambolle-Musigny is crafted exclusively from younger-vine fruit in Musigny; its Bourgogne Blanc is crafted from younger-vine Chardonnay grown also in Musigny (which may soon be born again as a Musigny Blanc). Yep, we have a little of that too. Mais oui, it is expensive, but oh so good!
