Again please take note...We are open for dining inside the restaurant, and your safety is our top priority. Our crews have been wearing masks since the beginning of the Covid-19 quarantine. All our crewmembers are temperature checked daily, we wash our hands constantly, sanitizer is available throughout the restaurant, and we use a hospital grade disinfectant on all high touch areas. I've even installed air scrubbers that remove 99% of all bacteria and viruses from the air and on all surfaces.

My team and my guests are like my family and I would never risk their health and I won't risk yours. We hope to see you soon...but if your not ready to dine in yet...I understand and that's why we will continue to offer, Family Meals, Curbside Pick Up, From the Sea Boxes and soon delivery with no fees.

Thank s again!

I hope this meal brings joy to your family.

With great gratitude and love...Chef John Howie
